

searching family Brett

Posted by Joan Gaydos - 2005/05/19 17:25

Just trying to find any members of my Grandma Lois Lavina Brett, born in Little Hadham in 1865.

Her sister Emma Brett married Fred Gillette, or Gillette.

Would just love to find any family member. I have been there a few times but never have had any luck with my search.

I live in Florida & really do not get back to England like I use to.

Many thanks Joan Gaydos/Sparkes
