Sue. We have a great deal of common interest as my SWALLOW family came from The Hadhams. Keep a SWALLOW database as a research tool and about 100 or more of these are Little Hadham based. Certainly recognise names in your listing.

We need to communicate off this list to facilitate exchanges. Contact me on swallow.john@gmail.com. One or two other individuals are also heavily into SWALLOW and I am seriously thinking of a more efficient way for us to keep exchanging the results of our efforts.

Look forward to hearing from you.
