

Searching for the family of Simeon Freeman

Hi

I am new to this site having just discovered from the 1911 census that my Nan's cousin Simeon James Freeman lived at Old Park Cottages in Much Hadham with his wife Hannah Martha (nee Snellin) and their daughter Edith. His occupation was a 'Horsekeeper on a Farm'.

Does anybody have any knowledge of this family? Simeon was born in Meesden in c1887, Hannah in Whitechapel (London) in c1883 and Edith in Anstey in c1909. There was another child who had died by the time of the time of the census.

Simeon and Hannah were married in Meesden in 1906, the witnesses were Joseph Freeman (Simeon's father) and Private Henry Snellin (presumably Hannah's father).

Does anyone on this board know where Old Park Cottages were and if they still exist?

Regards

Lyndsey
