

Searching for Hilda Marriott-Lodge and daughter

Posted by Shaun - 2009/07/18 20:48

Hilda, my cousin, was born in Newcastle upon Tyne and married in Stockport, Cheshire about 1955 and then moved to Much Hadham shortly after with her husband whose name may be Hayes-Allen. I visited them once there as a boy, with my father. A year later they had a daughter whose name may also be Hilda. She would be about 53 years old now and her mother would be about 78. If anyone has any information on them I would be very interested to hear from them so that I can establish contact with my family once more. I live in Cebu, Philippines and am retired and presently working on my family tree.

Yours Sincerely

Ian Shaun Marriott-Lodge
