Hello. I am tracing my family tree and my ancestors lived in Little Hadham from before 1841 until 1891'ish. I have visited the grave yard at St Cecilia's but only found 2 graves belonging to great uncles. I am interested in finding George Brett (died 1888) his wife Eliza (nee Harris) (d. 1892), George's father, John (date of death unknown but c. 1880) and his wife Jane (nee Charge) (d. 1887)

Is it possible to view church archives and if so how do I go about arranging an appointment.

Any information would be greatly appreciated.
