I am hoping to find a photograph which I think someone on the site once had of Jimmy Swallow (1844 - 1920)(known as Jimmy Too Swallow) married to Mary Petchey
I would be delighted to hear from anyone who can help
Many Thanks

Hi Neil
Seems the site wont accept e-mail addresses for fear of spam
could I ask instead that you put the photo on the photo galleries and hope this is ok with you
many thanks

hi neil
have tried to add another meassage to the jimmy too swallow "saga" which doesn't appear to got on to

the message board so i'm trying again

trouble seems to be that the moderator will not allow email addresses to appear on the board for fear of spam (fair enough)

I wonder now if i could ask you to put the photo you have on the photo galleries page and if so would be most grateful

many thanks

jaz
