
Hale, Swallow, Gillett, Edwards and So On and On

Hi

My great nan Florence Ann Hale, born Little Hadham, daughter of Thomas Hale and Esther Edwards of Albury. I am looking for as much information as possible, whethe stories, fact or fiction as some fiction carries facts, on all avenues of the families, parents, siblings and so on, and then there's picture/photos, of which I have none at all. I do not have alot of information, and pictures/photos did not seem important as keepsakes, which leaves me mostly at deadends.

So anything would be very gratefully welcomed.

Sue
