I am looking for any information on the Biscoe family, their connection to the Much Hadham area stretches back over 200 years. My great grandfather John Biscoe was born in Green Tye in c1820, he was baptised in Much Hadham. My great grandfather had a younger half brother named Thomas Biscoe born c1823 also of Much Hadham. Other names associated with the Biscoes are, Dean, Fish, Brace, Frost and Amey.
